

A VERY NICE NIGHT

JAAN restaurant at **Raffles L'Ermitage** now features **Table JAAN**, an exclusive dining experience on the intimate garden patio. The semi-private, flower-lined space hosts couches, a fireplace and a backgammon board. Albert Charbonneau, the

MARSAILI McGRATH

hotel's food and beverage director, customizes the five-course meal. **Table JAAN** is available by reservation only, for the entire evening, at \$150 a person, \$215 when paired with reserve wines. For increased opulence,

Table JAAN's Epicurean Dinner (\$2,500 a couple) uses rare **Dom Perignon Oenotheque '93**, ingredients including **Petrosian caviar** and **24-karat gold**, and post-meal snifters of **Louis XIII cognac**. **9291 Burton Way, Beverly Hills, (310) 278-3344**
