

## NEW IN TOWN

After tending bar together at Q's in Santa Monica for eight years, Adam Milstein, Philip Boyd and Robyn Landrum teamed with Chris Shanley (Cinch, the Gas Lite) on **South**. The quartet auditioned a number of chefs, but Glenn Weinstein stood out for his renditions of barbecue pork ribs, fried chicken and skillet-baked mac and cheese, which all made the opening menu. Milstein attended Tulane University in New Orleans, which explains the crawfish étouffée, jambalaya and beignets. **3001 Wilshire Blvd., Santa Monica, (310) 828-9988; [www.southsantamonica.com](http://www.southsantamonica.com)**
